List of priorities/criteria for this fund:

Core priorities:

The core priorities for the Energy Industry Voluntary Redress Scheme are to:

- Deliver benefits to the types of consumers that were negatively impacted by the breach(es) that have occurred; and
- Support Ofgem policy priorities, which are currently to support:
 - energy consumers in vulnerable situations
 - the development of products and/ or services, which are genuinely innovative and not currently accessible to energy consumers or certain groups of energy consumers.

For further information on these priorities, see the scheme guidance.
