

Details of Round 5 of the Energy Redress Scheme

Round 5 of the Energy Redress Scheme opens on Monday 19th August and closes to applications at 5pm on Friday 18th October.

There are three funds open in this Round, to ensure projects of a similar nature and scale are assessed against each other.

Applications can only be made by charities that are registered with the scheme and who have access to the online Charity Dashboard at <https://energyredress.est.org.uk/Default.aspx>

Charities can only lead on one application in Round 5, so will need to choose which of the three funds to apply for. Charities can be partners (not leading) in more than one application.

Round 5 Small Project fund

Amount available: £1 million

Grant Size: Minimum grant amount £20,000, maximum grant amount £49,999

Priority: Support energy consumers in vulnerable situations

Round 5 Main Fund

Amount available: £7.5 million

Grant Size: Minimum grant amount £50,000, maximum grant amount £2million*

Priority: Support energy consumers in vulnerable situations

*Applicants requesting over £500,000 from the redress scheme must complete and upload the Detailed Project Plan spreadsheet, with their online application. The spreadsheet is available at <https://energyredress.org.uk/application-pack>

Round 5 Innovation Fund

Amount available: £1.5million

Grant size: Minimum grant amount £50,000, maximum grant amount £750,000

Priority: The development of products and/ or services, which are genuinely innovative and not currently accessible to energy consumers or certain groups of energy consumers.

Further guidance on the priorities of the energy redress scheme and how to complete the application form is available on the website at <https://energyredress.org.uk>
